Natural Gas	3.08	3.13	3.78	4.23	4.41

Copper - Over the last three months, copper has been bouncing around without moving more than 10% in either direction.

Silver - Silver pricing was relatively stable except for a few drops; the net result is an approximate 15% decrease on the month.

Refrigerant - There are no big changes on refrigerant, as everyone is waiting on the EPA to release 2012 allocation rights for R22 before acting.
