

# First the Mobile Site! Now the Mobile App!

**Take Johnstone Supply with you in even more ways!** Our mobile app is available for free for Android and Apple tablets and smart phones. Visit iTunes or Google Play to download and experience an even easier browsing and shopping experience.

The app features Voice Search and Auto-Login, two great timesavers that keep you productive. Access your Order History, regardless of how that order was placed. Saved Lists, Real-Time Pricing and Availability, Order Pad quick entry—it's all available on mobile.

Your Integrated Cart stays with you from device to phone to desktop, too, so you'll never have to duplicate an entry you make on the road. Download the app and see all the features.

**With your choice of mobile optimization and an app, which one should you choose? Maybe both!** Here's a comparison to help you decide.
